In the Northwest Suburban Conference their record of 4 wins 2 losses and 1 tie included a season finale 23-20 win over an impressive Round Lake team.

Over the course of the season Marengo outscored its opponents 107 to 72 and outgained its opponents 1812 yards to 1455 yards. Thirty two sophomores completed the season, each contributed to the team's success and each improved as an athlete and as a person

Grayslake handed Marengo its seventh loss of the season by a 31-8 score before the Indians recorded its first win of the season over Wauconda 20-7. Yearbook Staff

Plans for the 1985 Yearbook began when Editor Lee Hilbert attended the yearbook workshop last summer at Rockford College. It was there that the theme and main ideas for the book took form.

The staff of Lee Hilbert, Gary Jones, and Bob Kurek worked hard all year with adviser Mr. Reed to produce the pages. Others who helped during the year are Kristi Bohm, Jim Reschke, Jeff Slaughter, Alan King, and Dan Martinez.

The staff did *Enjoy* producing the book and hope that you *Enjoy* keeping it as your record of the 1984-85 school year.

The Media Club, under the direction of Mrs. Wirsing and Mrs. Sandersfeld, have many duties and responsibilities to perform. Not only do they assist in the correct placement and the checking out of thousands of books, periodicals, pamphlets, filmstrips, videotapes, and other media properties; but they also see to it that TV's, movie and filmstrip projectors, record and tape players, and all other media equipment are delivered to teachers' rooms for use and picked up when finished. These services are often overlooked when we are listening to a recording or watching a videotape as part of a lesson in class, and the Media Club should be commended for their efficient service.

We have had various fundraisers and are becoming known for our exceptionally successful bake sales. Five of our members and our advisor Mrs. Dunker, attended the annual HOSA State Conference in Springfield and participated in the competitive events there.

PAL Club

PAL is the language club for Spanish and German students. This year their Halloween party was better than ever. The locker room converted into a spook house, and once the lights were dimmed, most of the screams seemed real. The Holiday Folk Fair is getting to be an annual event. It's a one-day trip around the world with exhibits, food, entertainment representing forty nationality groups. Later in the spring, thanks to the positive leadership of the officers and many energetic members, they had some good memories of the year.
